Sir:

This paper is being filed to memorialize the undersigned attorney's conversations with examiner Thompson on August 14 and 19, 2008, in the above-referenced matter.

The undersigned telephoned the examiner on August 14 and 19, 2008 to discuss the merits of the rejections set forth in the outstanding office action dated February 25, 2008. The 6-month date is August 25, 2008. Accordingly, any additional action to continue prosecution of this application would need to be taken on or before Monday, August 25, 2008 (today).

The examiner advised the undersigned attorney on August 19, 2008 that the application had been allowed, but PAIR records do not reflect the current

status of the application. Nevertheless, in view of the examiner's indication that the application has been allowed, no additional action is being taken to continue the prosecution of the above-referenced application.

Respectfully submitted,

MARSHALL, GERSTEIN & BORUN LLP
